

Welcome Back Students! I hope you had an enjoyable summer with much adventure and rejuvenation. It's officially RECRUITING season! Get your resumes updated and mark your calendars.

- GT's All Majors Career Fair Sept. 17 and 18 from 9:30 a.m.– 4:00 p.m. in the Campus Recreation Center (CRC) (*Registration not required*)
- MSE's Career Fair on Sept. 17 from 4:00 p.m. – 8:00 p.m. in the Klaus Advanced Computing Building, Atrium area. (*Registration required*)

For both career fairs, please bring several copies of your resume, your smartphone (if you have one), a notebook and pen/pencil. Registration is required for the MSE Career Fair. Once you've registered, we encourage you to upload your resume (not mandatory). If you do this, you will be able to view the companies that are attending the fair and employers will get the opportunity to review the posted resumes. Employers may request interviews in advanced or on career fair day.

Many students report getting job offers from a career fair, so if you are graduating this term and seeking employment, or seeking an Internship for next summer, you don't want to miss these opportunities. You'll get a chance to meet employers one-on-one and possibly make a connection. Remember attending a Career Fair is only the first step of the job search process.

Shirley Manchester
Undergraduate Academic Advisor

- Sept. 3 - Labor Day (no school)
- Sept. 3 – Online Graduation Application window for Spring 2019 opens
- Sept. 17 – MSE Career Fair
- Sept. 19 – MSE Fall Social

Need to Transfer Summer Classes at Taken at a Local Community College?

If you've taken classes at another College this summer and would

like to have the credits transferred to Tech you'll have to request for your transcript to be sent to the Registrar office so your records can be updated. These classes won't factor into your GPA calculations but listed as transfer credits.

What is Career Buzz?

It's a GT recruitment and management tool for students and alumni to access employment. You will have to set up a profile to get access to Career Fairs and other campus recruiting events.

International Night at Tech Rec is sponsored by OIE and Georgia Tech International Ambassadors. This fun night is full of coffee, tea, food, and lots of interesting conversation and fun activities. OIE has rented out the entire Tech Rec! Bowling, billiards, video games and air hockey will be free to all students in attendance. This event is a great way for new students to meet friends from both the U.S and returning from abroad! All students are welcome.
